ELEVATION STUDIO

ARCHITECTURAL ATELIER & SPATIAL ENGINEERING

B2B CAPABILITIES SPECIFICATION

Confidential · For Developers & Architecture Studios

Lagos — Ogun Corridor · Nationwide Delivery

EXECUTIVE OVERVIEW

Elevation Studio extends project execution bandwidth for architectural firms and real estate developers. We provide licensed architectural design, structural/MEP detailing, and cinema-grade 4K 3D renders with guaranteed 100% white-label confidentiality and rapid turnaround.

CORE B2B CAPABILITY STACK

01 Architectural & BIM Detailing

Complete working drawing sets, Revit/CAD documentation, room schedules, building code adherence, and local authority approval coordination.

02 Photorealistic 4K Visuals

Cinema-grade exterior and interior 3D stills, dusk/daylight lighting studies, accurate material physics, and masterplan bird's-eye views.

03 Cinematic Video Walkthroughs

60fps 4K drone-view simulations and interior tours with spatial realism designed specifically for investor pitch decks and off-plan pre-sales.

04 Developer Masterplans & Retainers

Phased multi-unit estate layouts, perimeter zoning, structural optimization, and dedicated monthly production bandwidth for continuous development.

PROVEN REFERENCE: MULTI-UNIT RESIDENTIAL ESTATE

Flagship Case: Phased Terrace Estate

Developed for institutional real estate partners to drive off-plan investor allocations. Scope incorporated complete exterior zoning, daylight balance, landscape architecture, and high-fidelity exterior renders.
